

Machining/Manufacturing Alliance Internship Scholarship Program

Erie Community College in partnership with _____
company name

Mission: *To attract skilled workers into manufacturing companies, enroll students into Industrial Tech AOS Program at ECC, and provide a career pathway into education and employment for students.*

Erie Community College agrees to:

- ✿ Provide a \$988 scholarship for tuition per student
- ✿ Provide on-site job coaching to students as part of the internship course
- ✿ Administer stipend funds and handle student payroll through the ECC foundation
- ✿ Review student applications and work with the high school teachers to enroll the best candidates
- ✿ Prepare students for interviews prior to orientation session
- ✿ Host the orientation session for students, parents, and companies

Company agrees to:

- ✿ Support the student internship program by providing \$1,680 per intern, 100% tax deductible
- ✿ Attend orientation session to interview student candidates
- ✿ Provide a meaningful internship experience for students in consultation with ECC Faculty
- ✿ Allow student to shadow experienced machinist
- ✿ Host plant tours for future candidates/parents

I agree to participate in the above-mentioned program and to provide the ECC Foundation with a minimum of \$1,680 per student intern. Should you wish to contribute additional dollars to support the program or to support more than one intern, this would be much appreciated. Please sign below and return with payment to:
