Have you been convicted of a felony? Yes** (F1) No

Have you been dismissed from a college for disciplinary reasons (not academic dismissal)? Yes** (F2) No
 ** If YES to either question, Admissions will send you additional information and instructions.

A felony in New York state law is defined as a crime for which one or more than one year in prison may be imposed. The felony question applies if you have been convicted as an adult. If you have been adjudicated as having juvenile delinquent or youthful offender status, you are required to respond to the felony question by indicating a response of no.

Suspension is defined as a sanction imposed for disciplinary reasons that results in a student leaving school for a fixed time period, less than permanently. Dismissal from a college for disciplinary reasons is defined as permanent separation from an institution of higher education on the basis of conduct or behavior.

An affirmative response to either question will not automatically prevent admission, but you will be asked to provide additional information. This information will be reviewed by a campus committee to ensure campus safety. Any falsification or omission of data may result in denial of admission or disciplinary action.

Completion of the following information assists the college in receiving Federal, State and Grant Aid; however your answers are voluntary and will not affect admissions decisions. This information may be shared with faculty.
